The Commonwealth of Massachusetts

OFFICE OF THE SECRETARY, Boston, January 31, 1936.

To the Honorable Senate and the House of Representatives:

I have the honor to submit herewith, in compliance with General Laws (Tercentenary Edition), chapter 54, section 133, a report of the number of assessed polls and the number of registered voters in each city and town at the date of the last city and town elections, and the total number of persons who voted at each such election in every city and town, and in every voting precinct therein, and the number of votes received by each candidate for nomination and for election for a State office in the year 1935, together with other information relating to elections.

In further compliance with the law above quoted, I submit the following recommendations:

1. Under the provisions of sections 32-39, inclusive, of chapter 54 of the General Laws, relative to the use of voting machines in state and municipal elections, it is now incumbent upon the Secretary to inspect said machines before they are used at elections. As the use of voting machines has increased somewhat in the last few years, it is apparent that if many cities and towns vote to use these machines their inspection by the State Secretary would be impractical. Therefore, it is recommended that the duty to inspect such machines when used at municipal elections alone be imposed upon local authorities, and that the Secretary be authorized to delegate the local registrars of voters to inspect such machines under his direction when used at state elections.

2. Under the provisions of section 4 of chapter 54 of the General Laws, as most recently amended by section 2 of chapter 482 of the Acts of 1935, the assessment of taxes for the year following the redivision of a city into wards is made upon the old ward lines. In view of the fact that under the provisions of said section in its amended form the new wards do not go into effect until immediately prior to the second party primary following a redivision, it naturally follows that such assessments of taxes should be made for the three years following a redivision upon the old ward lines.

3. By the passage of chapter 289 of the Acts of 1932, section 13A of chapter 41 of the General Laws was inserted. As there appear in section 13 the words "in the manner prescribed in the following section," it is therefore necessary to change such words in order that they shall read as follows: — in the manner prescribed in section 14.

4. Chapter 254 of the Acts of 1933 changed the date for the assessment of taxes from April first to January first. By the acceptance of chapter 310 of the Acts of 1932 by the people at the state election in 1932 it was provided that party primaries be held on the last Tuesday in April. As it is physically impossible for the assessors in the cities and large towns to prepare new voting lists prior to said date for use at the party primaries and to correct a now apparent oversight in the drafting of the 1932 act, changes in section 55 of chapter 51 and in section 7 of chapter 53 of the General Laws are necessary.

5. Under the provisions of section 45, chapter 53 of the General Laws, a candidate for ward and town committee and a delegate to conventions is prohibited from using on his nomination papers a statement "in not more than eight words, the public offices which he holds or has held, and, if he is an elected incumbent of an office for which he seeks renomination, that he is a candidate for such renomination." As the State Ballot Law Commission has, in the past, ruled that candidates for nomination for state committee are not entitled to file such a statement, I suggest that said section be amended so that it will apply to candidates for state committee.

RETURNS UNDER THE "CORRUPT PRACTICES" LAW

Since the last report special elections have been held to fill vacancies in the office of Senator in the Second Essex District (October 15, 1935), and Representative in the General Court in the Tenth Middlesex District (October 29, 1935), and in the Seventeenth Worcester District (November 26, 1935).

Under the provisions of General Laws (Tercentenary Edition), Chapter 55, nomination expense returns were received from ten candidates, nine of whom reported no receipts. Total nomination receipts were reported as \$5.00, and expenditures, \$1,085.75.

Election expense returns were received from six candidates, four of whom reported no receipts. Total election receipts were reported as \$510.00, and expenditures, \$1,367.65.

Four returns were received from treasurers of political committees reporting gross receipts as \$6,457.01 and expenditures, \$4,807.70. Of these amounts \$1,150.00 was returned both as receipts and expenditures by more than one committee.

Respectfully submitted,

FREDERIC W. COOK, *Secretary.*

**NUMBER OF ASSESSED POLLS, REGISTERED VOTERS, AND PERSONS WHO VOTED
AT ELECTIONS**

Apparent inconsistencies in the report may be accounted for, in part, as follows:

First. — The number of assessed male polls includes aliens and other persons who are not qualified to become registered voters.

Second. — The number of registered voters includes persons who are exempt from taxation and therefore are not included in the number of assessed polls.

Third. — Many names of voters on the list at the State election are, by reason of change of residence, erased from the list of voters at municipal elections.

OFFICE OF THE SECRETARY, BOSTON, JUNE 30, 1937.

To the Honorable Senate and the House of Representatives:

I have the honor to submit herewith, in compliance with General Laws (Tercentenary Edition), chapter 54, section 133, a report of the number of assessed polls, the number of registered voters at the date of the last biennial State election and city and town elections, and the total number of persons who voted at each such election in every city and town, and in every voting precinct therein, together with the number of votes received by each candidate for nomination and for election for a State office, and for election for a State committee.

RETURNS UNDER THE "CORRUPT PRACTICES" LAW.

In compliance with the General Laws, Tercentenary Edition, chapter 55, nomination expense returns were received from 1723 candidates, of which 96 appeared to be not in conformity with the law, and were therefore transmitted to the Attorney General, together with a list of the names and addresses of 176 candidates who failed to file a return.

The total receipts for nomination as shown by returns filed were \$37,617.60, (an increase of \$11,118.89 as compared with 1934), and total expenditures \$187,656.43, (an increase of \$26,831.55 as compared with 1934); 1427 candidates reported no receipts, and 31 reported receipts from political committees amounting to \$4,238.94, (an increase of \$2,963.34 as compared with 1934); 343 candidates reported no expenditures and 74 reported payments to political committees amounting to \$5,966.03, (a decrease of \$3,338.11 as compared with 1934).

Election expense returns were received from 769 candidates, of which 28 appeared to be not in conformity with the law, and were therefore transmitted to the Attorney General, together with a list of the names and addresses of 88 candidates who failed to file a return.

The total receipts for election as shown by returns filed were \$61,481.75, (a decrease of \$1,001.42 as compared with 1934), and total expenditures \$192,669.30, (an increase of \$45,526.66 as compared with 1934); 569 candidates reported no receipts, and 80 reported receipts from political committees amounting to \$21,710.15, (an increase of \$15,556.87 as compared with 1934); 177 candidates reported no expenditures and 150 reported payments to political committees amounting to \$34,027.60, (a decrease of \$10,473.20 as compared with 1934).

The total receipts reported by candidates for both nomination and election were \$99,099.35 of which \$25,949.09 was received from political committees, and total expenditures \$380,325.73 of which \$39,993.63 was paid to political committees.

The returns of two candidates were submitted to the Attorney General as apparently in violation of the law.

From treasurers of political committees there were received 1032 returns, of which 609 were certificates, 91 stating the aggregate receipts and disbursements did not exceed \$20.00, and 518 reporting no receipts or disbursements. Forty returns, of which 14 were certificates, were reported to the Attorney General as being not in conformity with the law.

There were also submitted to the Attorney General a list of 237 committees that had filed their organization but failed to file statements of receipts and expenditures.

The net receipts were	\$1,370,019.00
(An increase of \$968,245.41 over 1934)	
The net expenditures or disbursements were	1,314,932.69
(An increase of \$923,022.78 over 1934)	
The total unexpended balance was	102,323.50
The total liabilities were	180,822.00

The gross amount returned by committees as receipts was \$1,580,938.33 and as disbursements \$1,525,851.96. Of these amounts \$210,919.27 was returned both as receipts and disbursements by more than one committee.

A special primary was held February 25, 1936, to fill a vacancy in the office of Representative in the Twenty-second Suffolk District, and a special election to fill said vacancy was held March 10, 1936. Special primaries were also held on October 20, 1936, to fill a vacancy in the office of Associate County Commissioner for Hampshire County, and Register of Deeds in the Berkshire Southern District, and said vacancies were filled at the State Election on November 3, 1936.

Nomination expense returns were received from 20 candidates, 18 of whom reported no receipts, and 12 no expenditures. Total nomination receipts were reported as \$260.00, and expenditures as \$1,108.76.

Election expense returns were received from 4 candidates each of whom reported no receipts; three reported no expenditures, and one an expenditure of \$43.17.

One return was received from the treasurer of a political committee, who reported receipts of \$1,380.00, expenditures of \$1,382.62 and liabilities of \$2.62.

Respectfully submitted,

FREDERIC W. COOK,
Secretary.

STATE, CITY AND TOWN ELECTIONS

IN THE YEAR 1936

NUMBER OF ASSESSED POLLS, REGISTERED VOTERS AND PERSONS WHO VOTED AT ELECTIONS.

Apparent inconsistencies in the report may be accounted for, in part, as follows:

First.—The number of assessed male polls includes aliens and other persons who are not qualified to become registered voters.

Second.—The number of registered voters includes persons who are exempt from taxation and therefore are not included in the number of assessed polls.

Third.—Many names of voters on the list at the State election are, by reason of change of residence, erased from the list of voters at municipal elections.
